

Alumni member Pandey of USA provides stationery to Government School kids

■ Staff Reporter

ALUMNI Member of Lone Star Leadership Academy, TX USA are encouraged to give and make the meaningful impact on our society. Students work with various charities or community services to support others during the academic year.

Vedika Pandey, a 6th grader, Alumni member, living in Frisco, TX, USA had visited the school in India during summer vacation.

She found an opportunity to help students of Government

Primary School, Cherital got access to stationery supplies that every student enjoys in their school. She raised generous funds from family and friends through gofundme.com and decided to use the funds to buy school supplies for all the students.

Seema Tiwari, Principal of Cherital Government Primary School, extended her full support to this cause. Tiwari worked with Vedika Pandey and coordinated the efforts in India. On the distribution day, a little over 100 primary students received school stationery that students would use

in the academic year.

Each student received school bag, notebook, pencils, eraser, pen, crayons, markers, pencil sharpener, ruler, glue, geometry supplies, water bottle and lunch box. The students and their parents were extremely thrilled to receive these school supplies.

Vedika Pandey expressed a sense of gratitude towards Education in Action for providing her the platform, and above all friends and family for generously supporting her attempt to encourage learning among students.
