

Pair of Comal ISD students attend leadership academy

About 1,000 4th-8th graders participated in Education in Action's summer 2016 Lone Star Leadership Academy camps and two of those students attend Comal ISD campuses.

Ashley Hemmilla attends Indiana Springs Elementary as a fifth-grade student and Cole Lykins attends Church Hill Middle as a seventh-grade student.

The two were selected for the Lone Star Leadership Academy camps based on academic success and leadership ability, an educator recommendation, and involvement in school/com-

munity activities.

During the week-long, overnight camps in different areas of the state by grade level, the students developed leadership skills while learning about the Texas.

Participants experienced what they are learning in school through visits to notable and historically significant Texas sites.

Venues included the Texas State Capitol, The Bullock Texas State History Museum, The Alamo and the Sixth Floor Museum at Dealey Plaza, NASA

The Lone Star Leadership Academy experience provides an opportunity for students to learn about Texas leaders and what it means to be from the Lone Star State.
